Folks, attached is our draft of a response. I have highlighted two versions of the RVO to address my email from earlier
today. Your review of this is greatly appreciated and, of course, we want the WH to be fully supportive and read into
our plans. I would like to provide this letter to the Senate tomorrow so that by Friday the EPW Committee and renotice
the markup with all items and all nominees for Wednesday Oct 25. There is a 72 hour rule. I appreciate your
thoughts. My cell is [Ex. 6 Personal Privacy (PP)]
